Garage	41.88	m2
TOTAL	267.68	m2
	28.80	sq

The Murray

The Murray adds something a little different to the family range with features that no other design has, such as the Cellar & basin outside the wc & bathroom.

Add 4 bedrooms, 2 bathrooms, 2 living areas one being a designated media room, a big walk-in pantry and huge outside living and you really have a design with the lot.
